PBIS Rewards

We want you to be a partner in helping us make our school a more positive place for our children to learn with PBIS Rewards.

Our School is using PBIS Rewards to help us with our PBIS program. PBIS Rewards is a technology-based PBIS Management System that helps us with our behavior incentive program. You can learn about PBIS Rewards at their website (www.pbisrewards.com).

Our students can earn rewards throughout the day by meeting our behavior expectations. These rewards are in the form of electronic points or Bucyrus Bucks. They can redeem these points for privileges, tangible items, access to events, and other similar things.

PBIS Rewards has a Parent App that will give you some insight into how your child is doing with respect to our behavior program. The Parent App will run on most smart devices, including smartphones and tablets. You can find it in the iPhone/iPad App Store, Google Play, and the Amazon App Store. Just search for "PBIS Rewards Parent".

Reading at Home

Excerpts from "Reading With Your Child" by Bernice Cullinan & Brod Bagert.

There is no more important activity for preparing your child to succeed as a reader than reading aloud together. Fill your story times with a variety of books. Be consistent, be patient, and watch the magic work.

It's no secret that activities at home are an important supplement to the classroom, but there's more to it than that. There are things that parents can give children at home that the classrooms cannot give.

Although the life of a parent is often hectic, you should try to read with your child at least once a day at a regularly scheduled time. But don't be discouraged if you skip a day or don't always keep to your schedule. Just read to your child as often as you possibly can.

If you have more than one child, try to spend some time reading alone with each child, especially if they're more than 2 years apart. However, it's also fine to read to children at different stages and ages at the same time. Most children enjoy listening to many types of stories. When stories are complex, children can still get the idea and can be encouraged to ask questions. When stories are easy or familiar, youngsters enjoy these "old friends" and may even help in the reading.

Taking the time to read with your children on a regular basis sends an important message: Reading is worthwhile.

BES Secretary Nominated as TV10 Classroom Hero

On Wednesday, September 29, Mrs. Jamie Lyons, our Bucyrus Elementary Secretary was interviewed by TV 10 in Columbus as a Classroom Hero. A parent of a BES student nominated Mrs. Lyons for this honor. She is a dedicated member of the Bucyrus City Schools family. Her passion for the school and students is apparent to the families who she works with each day. We are proud to have Mrs. Lyons as one of our Bucyrus City Schools staff members.
